**A**roostook County is the largest county east of the Mississippi, almost the size of Connecticut and Rhode Island combined. There are only eleven people per square mile here and 6,672 square miles of stunning scenery to enjoy. Aroostook takes its name from the Native Americans who called it "Beautiful River" and has a character all its own. We have tried to capture that beauty and character in our calendar, produced here in The County, that we hope you will enjoy. Thank you.
