We have called this "The Calendar From Way Down East" because of our love of the more rural parts of Down East, Maine. Traveling as children to visit Grammie (she was a Cates), we knew we were heading way Down East once we crossed the Singing Bridge in Hancock. On this part of Maine's Coastline, the traffic thins out and the landscape becomes more wild and windswept. We think this region of Down East, Maine deserves a calendar of its own. We hope you enjoy it!
